

read_sectors

```
graph LR; A[read_sectors] --> B[read_sector]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'read_sectors'. The right box is filled with a light gray color and contains the text 'read_sector'. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
