

ui.display_widgets.CRTWidget.refresh

refresh

_recalc_size

```
graph LR; A[ui.display_widgets.CRTWidget.refresh] --> C[_recalc_size]; B[refresh] --> C;
```

The diagram illustrates a relationship between three components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'ui.display_widgets.CRTWidget.refresh' and the bottom box contains the text 'refresh'. On the right, there is a gray rectangular box with a black border containing the text '_recalc_size'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating that both 'ui.display_widgets.CRTWidget.refresh' and 'refresh' are associated with or point to '_recalc_size'.
