The diagram illustrates a common data path where three different io_read functions (from modules.io.am9511.AM9511, modules.io.ch376s.CH376S, and modules.io.tft8080.TFT8080) all point to a single _read_data function within the modules.io.am9511.AM9511 module. The arrows are blue and point from the left boxes to the right box.
