

modules.io.i8276.I8276.io_read

modules.io.i8279.I8279.io_read

modules.io.lcd1602.LCD1602.io_read

modules.io.i8276.I8276.
_get_status

```
graph LR; A[modules.io.i8276.I8276.io_read] --> D[modules.io.i8276.I8276._get_status]; B[modules.io.i8279.I8279.io_read] --> D; C[modules.io.lcd1602.LCD1602.io_read] --> D;
```

The diagram illustrates a dependency or call relationship. On the left, three white rectangular boxes with black borders contain the following text: 'modules.io.i8276.I8276.io_read', 'modules.io.i8279.I8279.io_read', and 'modules.io.lcd1602.LCD1602.io_read'. On the right, a gray rectangular box contains the text 'modules.io.i8276.I8276._get_status'. Three blue arrows originate from the right side of each white box and point towards the left side of the gray box, indicating that each of the three functions on the left calls or depends on the '_get_status' function.
