

modules.memory.memory
_bus.MemoryRegion

```
graph BT; A[modules.memory.paged.PagedRegion] --> B[modules.memory.memory_bus.MemoryRegion];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'modules.memory.memory' on the first line and '_bus.MemoryRegion' on the second line. The bottom box is gray with a black border and contains the text 'modules.memory.paged.Paged' on the first line and 'Region' on the second line. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box.
