The diagram illustrates a dependency or call relationship. On the left, two white rectangular boxes with black borders contain the function names 'ui.display\_widgets.CRWidget.refresh' and 'ui.display\_widgets.TFTWidget.refresh'. On the right, a gray rectangular box with a black border contains the function name 'ui.display\_widgets.TFTWidget.\_recalc\_size'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'refresh' methods call the '\_recalc\_size' method.
