

paintEvent

```
graph LR; A[paintEvent] --> B[_rgb565_to_rgb888];
```

A diagram showing a call from a box labeled 'paintEvent' to a box labeled '_rgb565_to_rgb888'. A blue arrow points from the 'paintEvent' box to the '_rgb565_to_rgb888' box. The 'paintEvent' box is white with a black border, and the '_rgb565_to_rgb888' box is gray with a black border.
