

_connect_device

```
graph LR; A[_connect_device] --> B[_on_device_transmit];
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text '_connect_device'. The right box is gray with a black border and contains the text '_on_device_transmit'. A blue arrow points from the right side of the first box to the left side of the second box.

_on_device_transmit
