

render_pong

```
graph LR; A[render_pong] --> B[draw_paddle]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'render_pong'. The right box is white with a thin gray border and contains the text 'draw_paddle'. The blue arrow points from the right side of the 'render_pong' box to the left side of the 'draw_paddle' box, indicating a directional flow or function call.

draw_paddle
