

connect_to_ppi

```
graph LR; A[connect_to_ppi] --> B[_update_input_port]; B --> C[scan_row];
```

A flowchart illustrating a sequence of three steps. The first step, 'connect_to_ppi', is highlighted with a gray background. A blue arrow points from this step to the second step, '_update_input_port', which has a white background. Another blue arrow points from the second step to the third step, 'scan_row', also with a white background. All steps are contained within rectangular boxes with black borders.
